

HAWAII PUBLIC HOUSING AUTHORITY

ADMISSIONS POLICY FOR THE DECONCENTRATION OF FEDERAL FAMILY PUBLIC HOUSING DEVELOPMENTS¹

It is the intent of the HPHA to promote adequate and affordable housing, economic opportunity and a suitable living environment free of discrimination. Tenant selection and assignment for federal public housing shall be made without regard to race, color, religion, ancestry/national origin, sex, familial status, physical or mental disability, marital status, age, or HIV infection. To improve community quality of life and economic vitality, the HPHA will implement measures to provide for deconcentration of poverty and income-mixing. The HPHA will bring higher income tenants into lower income developments and lower income tenants into higher income developments. Additionally, the HPHA will support measures to raise the income of households that currently reside in federal public housing. All measures and incentives that are undertaken to accomplish deconcentration and income-mixing will be uniformly applied.
